Re: Notice of Intention to Commence Small Mining Operations, Andrea/Esther/Diana Project, S/027/046, Millard County, Utah

Dear Mr. Rowley:

Thank you for forwarding the Notice of Intention to Commence Small Mining Operations for Roger S. Edwards's, Andrea/Esther/Diana Project, located in Section 5, T19S, R14W, Millard County, Utah. Your agency's designated number for this project is UTU-070711.

This letter is to inform you that the Division has evaluated the above mentioned Notice of Intent for completeness. The Notice does meet the requirements of Rule R647-3 of the 1988 Division of Oil, Gas and Mining Minerals Rules, and Title 40-8, et seq., of the Utah Mined Land Reclamation Act of 1975.

It is our understanding that only 1 hole will be prospected during 1993 and if sampling proves successful, further work will commence during 1994 using mechanized equipment. We will categorize this as an ongoing small mining operation which will alleviate the necessity for the operator to provide this Division with a new notice each year.

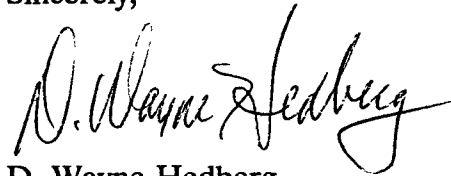

Thank you for your cooperation. If you receive further information or amendments for this operation, please notify us so we will be able to update our files.
